## Nuestro negocio

El Grupo OQEMA es una empresa de distribución internacional de productos químicos commodities, así como de especialidades, con sede en Mönchengladbach, Alemania.

Somos una empresa familiar con presencia en el sector químico de la industria durante más de 100 años.

OQEMA Iberia, anteriormente Proquibasa, tiene instalaciones propias en Barcelona, en Madrid y una sucursal en Portugal.

Como OQEMA, somos una empresa de distribución, fabricación y comercialización de productos químicos, una empresa que se enfatiza en potenciar la fiabilidad, seguridad, calidad y la sostenibilidad.

OQEMA suministra a clientes a nivel mundial, proporcionando una amplia gama de productos en sectores como la Nutrición Animal, Aromático, Especialidades Químicas, Cuidado Personal y Tratamiento del Agua.

La empresa se focaliza en poder satisfacer las necesidades de sus clientes gracias a su amplio stock de productos químicos consiguiendo mantener relaciones a largo plazo con proveedores y clientes.

## Mix de aceites

PRODUCTO	DESCRIPCIÓN
Hair care oil	Sesame oil extract mixed with Curcumin and actives from Amla berries. Designed for hair applications: anti-inflammatory, antioxidant and anti-bacterial and soothing properties. Main applications for hair serum, mask and creams.
Hair care oil	Mix of actives and Omega 3 fatty acids from Amla berries. Designed for hair applications: anti-inflammatory, antioxidant properties, soothing and nourishing properties. Main applications for hair serum, mask and creams.
Ethnic hair care	Special product with Omega 3 and high vitamin C levels. Has anti-inflammatory properties, can benefit skin conditions like Eczema and Acne. Main applications for hair care product but also skin creams.
Hair repair	Rich in hair enforcement components and natural anti-oxidants. Excellent fatty acids balance, anti-microbial and anti-inflammatory properties, unique oxidative properties. Applications: hair oil, hair mask, hair serums.
Antioxidant for skin	Natural antioxidants with anti-inflammatory, antioxidant and anti-bacterial properties. Helps to improve stability of formulations, recommended for skin creams, serums, lotions and massage oils
Calming oil	100% vegetable oil enriched with Rosemary extract, for skin hydration and calming applications. High vitamin content, rapidly absorbed by the skin. Main applications: skin creams and lotions.
Massage oil	Unique combination of oils with high content of Omega 3. Main applications: massage creams, moisturizers, eye contour creams, stretch mark creams, anti-aging creams.
Baby care oil	Unique combination for wet wipes and baby care products. Can be used as mineral oil replacement, very high oxidative stability and useful fatty acids. It can be used as an emollient. Main applications: massage oils
Nursing care	Coconut oil, Rapeseed oil and Rice Bran oil blend. Natural antimicrobial, useful in healing and preventing infections, provides useful fatty acids for the skin.
Anti-pollution oil	Specially designed for post-sun care products, face oils and serums, anti-aging creams. Unique combo of Aloe Vera, Organic Green Tea, Organic Walnut oil and Organic Turmeric.
Dry skin care oil	Rapeseed oil & Rice Bran oil, internally stabilized. Can be used as an emollient, great moisturizing and repairing properties, stable to oxidation. Main applications for hand and body lotions and massage oils.
Turmeric oil % butter	Unique combination of 3 kinds of turmeric, for skin protections and super strong antioxidant properties. Main applications: face oils, serums and anti-aging creams.
Antiginging oil	Blend of high Omega 3 vegetable oil and herbs & spices. Moisturizes and nourishes the skin, minimizes the appearance of fine lines, anti-inflammatory properties. Applications: face oils, serums and antiaging creams, and post sun care.
Deo care oil	Special blend of Rapeseed oil, Cocoa butter, Flaxseed oil and Rice Bran oil. Anti-inflammatory and quick absorption, main uses for deodorants and foot creams.
Pigmentation care	Blend of Sunflower oil enriched with herbal extracts from Amla, Curcumin and Aloe Vera to treat skin pigmentation and add glow and luminosity to the skin. Main applications: face serums, face oils.
Skin care	Oil from cold pressed vegetables (Flaxseed oil and Rapeseed oil). Easy to use as an emollient within cosmetic formulations (face serums and oils, facial and body moisturizers)
Shaving care	Improves soothing and healing properties of the skin. Rapeseed oil, Rice Bran oil, Palm oil, Flaxseed oil and Aloe extracts. Great absorption for the skin, great emollient and anti-inflammatory properties.
Sun care	Exotic butter blend for cosmeceutical applications, with SPF of 21.2. Main applications: sunscreen, SPF creams, SPF lotions and skin lightening.
Lip care	100% natural vegetable oil designed for lip care: lip oils, lip balms, lip scrubs.
Tattoo care	Oil and butter with Aloe, Curcumin and Rosemary with soothing and healing properties, anti-inflammatory effect and easily absorbed by the skin.
Silicone replacement oil	100% natural product designed as a silicone replacement. Unique oxidative stability. Uses: antiaging creams, body lotions and massage creams.
