

GIRL FROM IPANEMA **Hyaluronic treat foundation**

Just as the tall and tan and young and lovely girl from Ipanema, while walking to the sea, you will hear "A-a-a-h" with this foundation. With a medium coverage, it gives you an even complexion while ensuring your skin looks natural, thanks to **HYALURONIC TUCUMA EXTRA**, the powerful Brazilian bioactive. **HYALURONIC TUCUMA EXTRA** guarantees a treatment worthy of a dermocosmetic, stimulating the filling of the extracellular matrix with hyaluronic acid (27%), naturally synthesized by fibroblasts through the action of this ingredient. The result is more complete and uniform skin, in addition to a long-lasting and resistant film, which brings lightness, creaminess and a very Brazilian look to this foundation.
