

AMAZONIAN SUNLIGHT

HyalUV – Protect lotion

Imagine waking up with sunlight in the window and the Amazon Rainforest in the backyard. That's the feeling when you treat yourself to the touch of this lotion. With the aim of preserving the integrity of the skin, in addition to forming a functional and protector shield for the epidermal barrier, **CUPUASSU BUTTER** regulates the moisture balance and lipid activity of the upper layers of the skin with a high water absorption capacity. To protect the skin from the harmful effects of UV radiation, **HYALURONIC TUCUMA EXTRA** has biocompounds that stimulate the production of hyaluronic acid by 27%, naturally present in the extracellular matrix of the dermis, improving its vigor and firmness. In synergy, **HYALURONIC TUCUMA PRO** maximizes the response of hyaluronic acid synthesis in fibroblasts exposed to UV radiation (in 44%) and protects cellular activity in the production of this glycosaminoglycan (88%). The result is a fluid and highly moisturizing lotion, with an incomparable sensation, just like an Amazonian Sunrise.

Phase	Ingredient	% w/w
A	Water	q.s.p.
A	Glycerin	1.00
A	Sodium Gluconate	0.10
A	Sodium Polyacrylate	0.50
B	Candelilla / Jojoba / Rice Bran Polyglyceryl-3 Esters (and) Glyceryl Stearate (and) Cetearyl Alcohol (and) Sodium Stearoyl Lactylate	3.00
B	CUPUASSU BUTTER Theobroma grandiflorum seed butter	1.00
B	HYALURONIC TUCUMA EXTRA Astrocaryum vulgare fruit oil	5.00
B	HYALURONIC TUCUMA PRO Astrocaryum vulgare fruit oil	1.00
B	Cetyl Alcohol	2.00
B	Dicaprylyl Carbonate	3.00
B	Tocopherol Acetate	1.00
C	Tapioca Starch	2.00
C	Caprylhydroxamic Acid (and) Caprylyl Glycol (and) Glycerin	1.00
D	Citric Acid	pH 5.0 – 5.5

Procedure:

Homogenize and heat the ingredients of phase A (65°C);
Homogenize and heat the ingredients of phase B (65°C);
While stirring, pour the ingredients of phase B into phase A;
When below 40°C, add phase C
Correct the pH with phase D.

How to use:

Apply the lotion to clean and dry skin, making circular movements for a soft feeling and deep hydration. Reapply whenever you feel the need. Daily use.
