

ENVIRONMENTAL POLICY OQEMA LTD

It is the policy of OQEMA, to manage its activities in ways, which reduce their environmental impact to a practicable minimum.

The company will:

- As a minimum, comply with relevant environmental legislation requirements for environmental protection and fulfil any other environmental commitments
- Be committed to continual improvement of its environmental performance, by way of setting clear environmental objectives and regularly monitoring progress against them
- Educate and train employees in environmental issues and the environmental effects of their activities
- To encourage environmental standards from all suppliers and contractors

In order to comply with the Company's policy, OQEMA Ltd will:

- Develop and operate an appropriate Environmental Management System and achieve externally verified certification of the system to ISO14001(Carterton, Cricklade and Denaby sites)
- Carry out its manufacturing and distribution practices having regard to both the local environment and the operations involved
- Prevent pollution, minimise waste and encourage the re-use and recycling of materials
- Communicate openly with customers, employees, suppliers, the local community and any other interested party on how we address environmental issues
- Assist customers to use products and services in an environmentally sensitive manner
