

OQEMA

Flavour & Fragrance

F&F Flavour & Fragrance

OQEMA is an established supplier of ingredients to the Flavour and Fragrance industry, with specific emphasis on quality, continuity of supply and service. Our products are used to manufacture functional and fine fragrances as well as flavours for food and drinks.

Our F&F headquarters are in the UK with offices in The Netherlands, Germany, China and representation in New Jersey, USA. We have strong relationships with manufacturers around the world and are constantly exploring new avenues to discover unique and exciting products. With strategic stock holding points throughout Europe, The Middle East, Asia and the US, we are positioned to exceed our customers "just in time" requirements.

Through investment and innovation, we strive to exceed the requirements of each individual customer, large or small, whilst achieving the very highest standards in quality, safety and environmental responsibility. OQEMA is poised to provide you with the resources that you require to bring strength and growth to your business.

Facilities and Services

THE AMERICAS

In the US, we have strategic stock holdings on the East Coast. OQEMA offers a next day delivery for customers in New Jersey and prompt freight to all States. We deliver to the West Coast and also to the Mexican border. Containers are constantly arriving direct from Asia and we are continually expanding our stock range.

ASIA

Sourcing

Our consultancy office based in Kunshan, China, is involved in the whole supply chain, from supplier relationships, right through to consolidation and shipments of goods. OQEMA sources from many countries in Asia; India, Indonesia, Vietnam, Thailand and Sri Lanka to name but a few. At OQEMA, we constantly strive to enhance our product range, in collaboration with our customer's demands.

Supply

We have innovative supply options for customers globally to ensure that OQEMA delivers what you need, where you need it!

SERVICES

Product development and refinement, laboratory testing and verification, rectification, dilution, packaging solutions, repacking, warehousing and regulatory support.

OQEMA. We make the world go round.

Formed in 1922, the OQEMA Group has consistently developed. For the last 25 years our growth throughout Europe and the rest of the world has resulted in us becoming one of the Top 10 global chemical distributors. Our pioneering spirit and entrepreneurial approach has resulted in refined sourcing capabilities and market expertise. Our strategic supply network ensures that we are there where you need us, when you need us! Welcome to our world!
